Level 5 Leadership Retreat

Develop Your Leadership Skills Now!

Embark on a journey of introspection, learning and self-development with the Level 5 leadership Retreat. This retreat includes several leadership assessments—vision/risk assessment, coaching/listening assessment, DISC personality profile, corporate culture assessment and Level 5 leadership assessment. Through a series of interactive exercises, thought-provoking questions and leadership activities, participants explore a variety of leadership styles, tools and techniques. At the conclusion of the program, each participant creates an action plan for the next 12 months, focused on leadership development and corporate results.

Comments from Participants

"This was a life-changing experience for me." —C. Harmonson

"I'm ready to lead my company with renewed energy, determination and focus!" —J. Stuckels

"This program has awoken the giant within me. Thank you!" —C. Christianson

Transcending Other Leadership Programs

A unique aspect of this retreat is the opportunity to experience the program with trusted friends and Forum mates. The inherent commitment to confidentiality and mutual support within a Forum enables people to discuss specific issues and develop a highly targeted action plan, far beyond what could be accomplished in a public workshop.

The Leader within you is ready! Are you?
