

ForumSherpa Resource Center

Stronger Forums Climb Higher with Stronger Tools

Great Forums don't happen by accident, they are built with intention, structure, and the right tools.

The **ForumSherpa Resource Center** is a curated library of proven Forum tools designed to help EO, YPO, and peer advisory groups strengthen trust, deepen conversations, and create more meaningful growth experiences.

Whether you're a Forum moderator, facilitator, or member, the Resource Center provides practical exercises and frameworks you can implement immediately in your Forum meetings.

What You'll Gain

Forum & Retreat Exercises

A vast library of resources for Forums, Retreats and Corporate Meetings, from ice breakers and games to leadership development and high depth exercises.

Templates, Forums & Topical Roundtables

A variety of Update/Reflection Forms, Tracking templates, Constitutions/Norms, Topical Roundtable discussion prompts.

Forum 2.0® Tools + Processes

A suite of creative, new tools and processes to take your Forum to the next level, including learning alternative presentation formats and achieving greater depth.

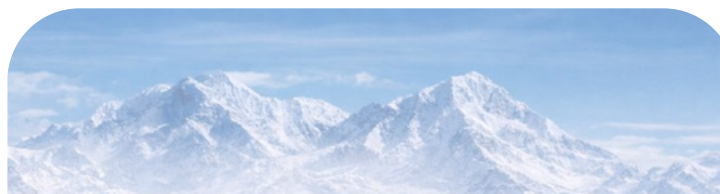

Learning Modules
